

So this might be, like, gang activity?!

We gotta call--

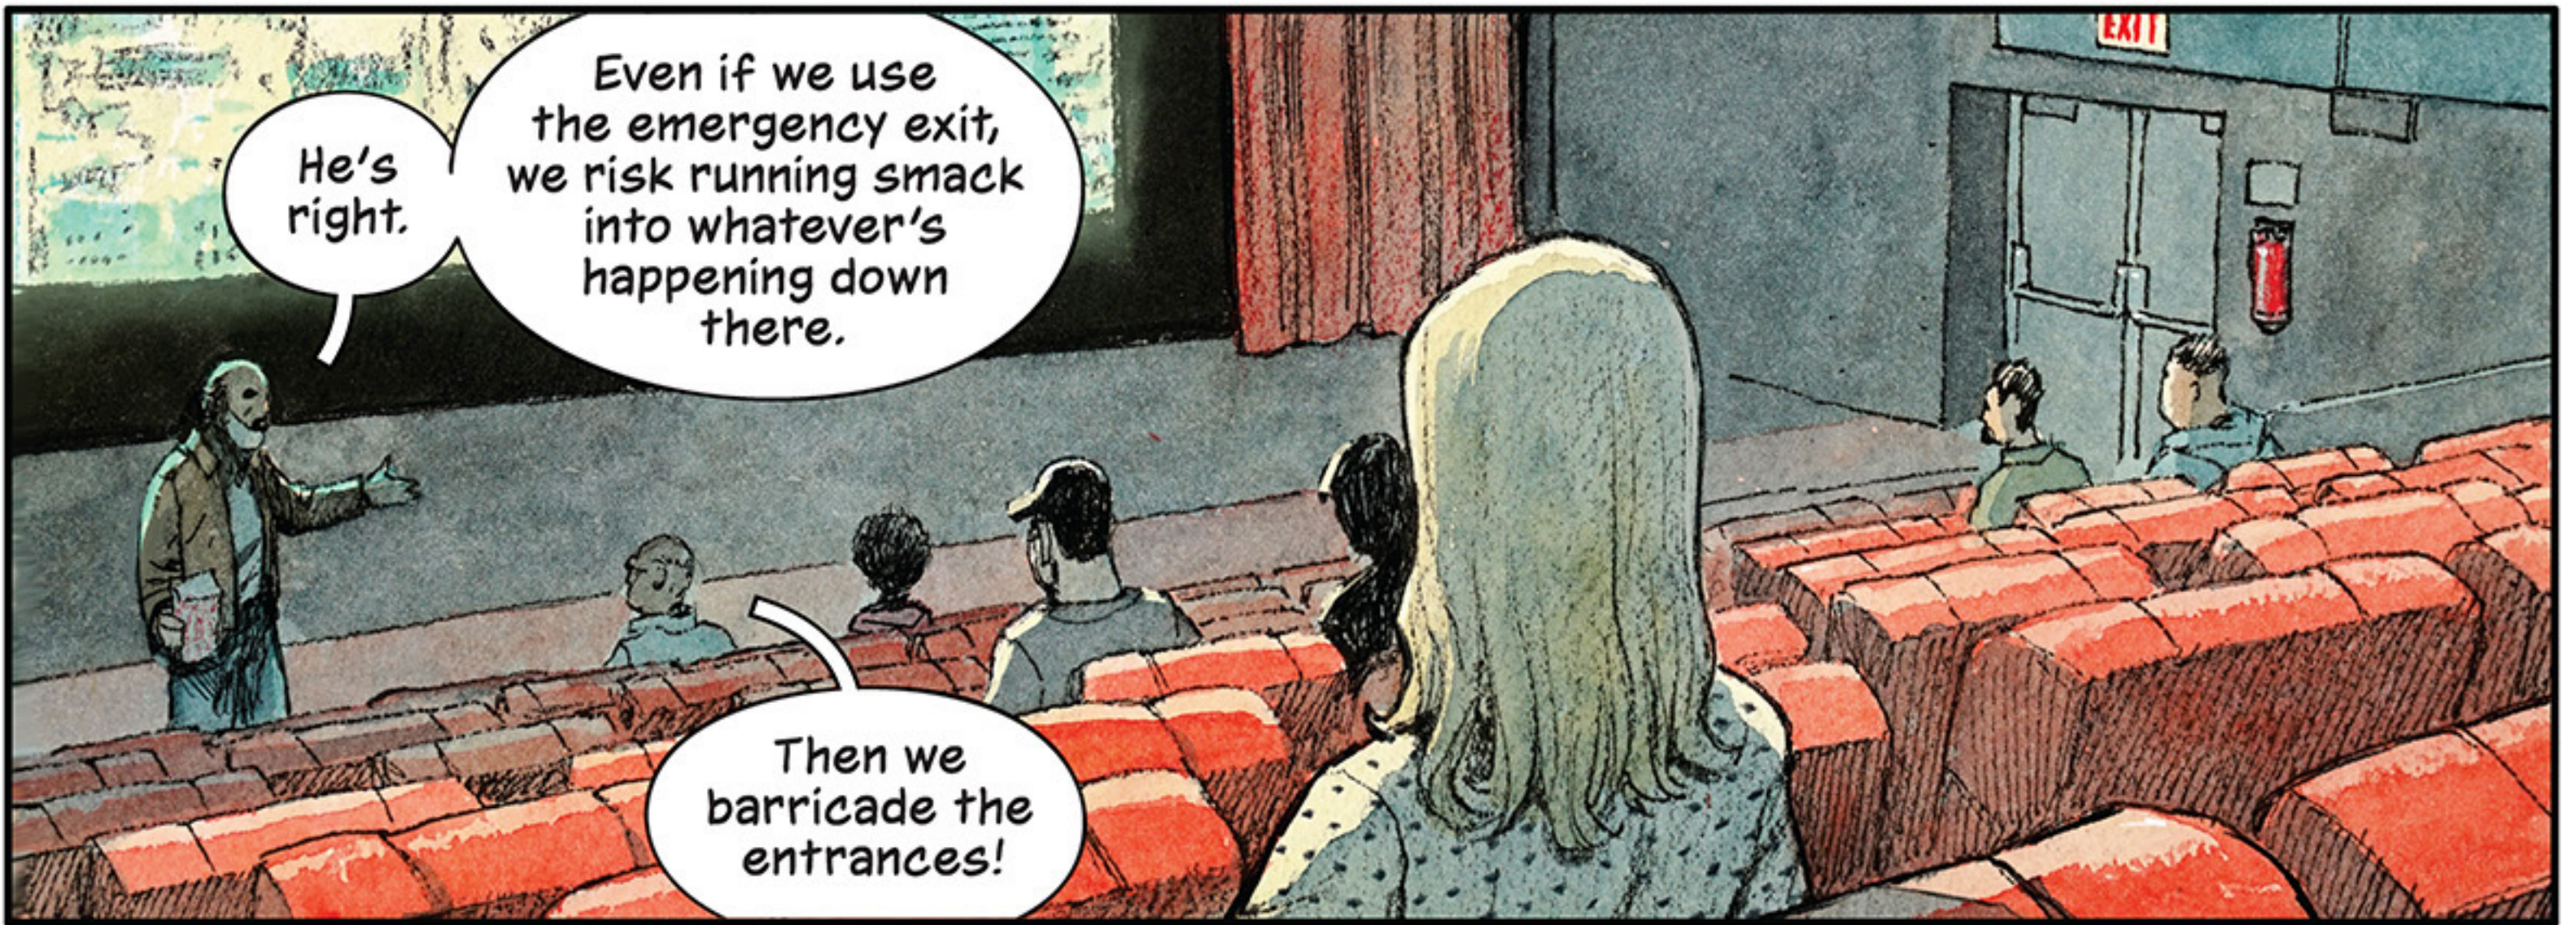

Yeah, 911 has me on hold.

Screw that, let's get out of here!

And go where?

We're on the top floor!

He's right.

Even if we use the emergency exit, we risk running smack into whatever's happening down there.

Then we barricade the entrances!

How? All theater doors open *outward*. It's a law.

What are you, the goddamn fire marshal all of a sudden?

Hey.

Don't talk to her like that.
